" <i>tripetala</i>	" 50	" <i>latifolia monstrosa.</i>		
" <i>acuminata,</i> per oz., \$0 50		" <i>rubra.</i>		
		<i>Thuya aurea.</i>		
		<i>Veronica imperialis.</i>		

9. MISCELLANEOUS PLANTS AND ROOTS.

- Araucaria imbricata*, six inches high, \$5.00 per dozen.
Araucaria Cunninghamii, six to twenty-four inches high, 50c to \$3.00 each.
Cordyline Australis (*Dracæna Australis*), fine plants, twelve to eighteen inches high, well furnished, \$6.00 to \$9.00 per dozen.
Crinum Americanum, most beautiful flowering bulb, \$2.00 each.
Dracæna stricta. Fine specimen plants of this elegant decorative plant, four feet high, two to three feet across, well furnished, \$2.00 each, \$20.00 per dozen. These can be shipped any distance by slow freight.
Dracæna Forsterii, a new Dracæna of very graceful habit, twelve to eighteen inches high, \$6.00 to \$9.00 per dozen.
Asplenium Nidus Avis (Bird-nest Fern). We have quite a stock of this grand foliage Fern of all sizes, price \$2.50 to \$10.00 each; extra large and fine specimens at \$20.00. Most of these, with foliage expanded, measure four feet in diameter, and weigh from five to ten pounds each. They can be shipped any distance by slow freight.
Tree Ferns, three distinct species from Sandwich Islands: *Cibotium glaucum*, *C. Chamissoi*, *C. Menziesii*, producing the "golden moss," or pulu of commerce. We have strong and healthy plants of these forms six inches to two feet in height, price, from \$5.00 to \$15.00; extra large specimens at special prices. Tree Ferns from Australia and New Zealand expected in May; prices on application.
Bursaria spinosa, a neat and charming evergreen shrub, producing a profusion of pure white, star-shaped flowers, 75 cents each.
Phycella ignea, a handsome bulbous plant from Chile, bearing large umbels of fiery red flowers, with yellow markings, \$1.00 each, strong bulbs.
Phormium tenax variegatum. Of this beautiful variegated New Zealand Flax we have strong healthy plants, which we can sell at from \$5.00 to \$15.00 each.
We have several experienced collectors out now on the Pacific Islands, Lower California, Arizona, and Mexico, and are continually in receipt of new and valuable plants, of which Catalogues will be issued in due time.
